Bohemia then, though a crueller place, was already, in Mr. Rmsomes phrase, a tavern on the road to success. Am I not a great fat rector, he wrote twenty-five years later, living upon a mighty income Have I not been at election dinners, and joined the Babel-confusion of a town hall Bohemia seldom leads to a rectory nowadays; but in Crabbes time a living was little more than a prize. He had taken his place in the company of artists, such as it was in the days before the Romantic revolt, and had the fortune to win the reward of devotion to his own talent. Surely it is among the youth that takes this hazard, and quarters itself so hopefully and proudly at the heart of England, that we must seek for the happiest in London.
